**2010 JEEP COMPASS—CAPABLE, FUN AND FUEL EFFICIENT**

The Jeep brand continues to tread in the compact sport-utility vehicle (SUV) market with the 2010 Jeep Compass—delivering fun, freedom, utility, 29-mpg highway fuel efficiency, and Jeep 4x4 capability at a terrific value.

Compact and nimble, Jeep Compass brings a new sense of adventure to the compact SUV market, combining the packaging and functionality of an SUV with the performance, handling, fuel economy and price of a compact car. Compass and its stablemate, Patriot, are the Jeep brand's first front-wheel-drive-based products with fully independent suspensions for comfortable on-road ride and handling and fun-to-drive characteristics.

Jeep Compass is designed to deliver world-class performance and fuel economy. Jeep Compass features a 2.4-liter World Engine that produces 172 horsepower (129 kW), 165 lb.-ft. (224 N•m) of torque, and (when paired with a five-speed manual transmission) delivers 23 mpg city and 28 mpg on the highway on both 4x2 and 4x4 models.

For even greater fuel economy, and new to the 2010 Jeep Compass, a 2.0-liter World Engine with five-speed manual transmission offers 158 horsepower (117 kW), 141 lb.-ft. (191 N•m) of torque and delivers 23 mpg city and 29 mpg on the highway.

Jeep Compass offers a full-time, active four-wheel-drive system called Freedom Drive I™. This four-wheel-drive system features a lockable Electronic-controlled Coupling (ECC), giving Jeep Compass 4x4 drivers the ability to handle rough weather conditions and low-traction surfaces.

Jeep Compass is designed for customers who want four-wheel-drive capability or the year-round versatility of front-wheel drive, excellent fuel economy and an attractive price point. With modern interior and exterior styling, and traditional round Jeep headlamps and seven-slot grille, muscular body-side flares, strong stance and sweeping roofline—the 2010 Jeep Compass design broadens the global appeal of the Jeep brand.

**NEW FOR 2010**

- Five-speed manual transmission with 2.0-liter World Engine delivers 29 mpg highway (standard on Compass Sport 4x2)
- Driver and front-passenger active head restraints (all models)
- Remote start (available with Security Group)
- Automatic climate control (available on Compass Limited)

**SAFETY AND SECURITY**

More than 30 safety and security features including:

- Advanced Multi-stage Air Bags
- Supplemental Side Air Bags
- Electronic Stability Control (ESC)
- Hill-start Assist (HSA)

**FUEL ECONOMY (city/hwy)**

## 2010 JEEP® COMPASS AT A GLANCE

### Breakthrough Jeep® conquers new territory

- Jeep Compass is a fun-to-drive compact Jeep 4x4 that delivers fun, freedom, utility and capability, 29-mpg highway fuel economy, interior flexibility and standard safety features—all at a great value
- Jeep Compass combines the packaging and functionality of a sport-utility vehicle with the performance, handling, fuel economy and price of a compact car
- Jeep Compass features a 172-horsepower 2.4-liter World Engine with dual Variable-valve Timing (VVT) and an available CVT2 with Auto Stick
- New 2.0-liter World Engine with five-speed manual transmission delivers 29-mpg highway fuel efficiency
- Compact and nimble, Jeep Compass is sized for world markets

### Modern, urban design appeals to a new class of entry-level Jeep buyers

- Jeep Compass is a modern-styled Jeep that broadens the global appeal of the Jeep brand by targeting new buyers who previously may not have considered the brand
- Jeep Compass offers the credibility and prestige of the Jeep brand

### Innovative interior features and flexibility, including:

- Flexible 60/40 split, fold-flat rear seats with available recline feature
- Available front-passenger seat that folds forward to create a table-like surface for versatility
- Available 115-volt power outlet in the center console that can power small electronics
- Removable, carpeted-load floor
- Standard dual-purpose, self-recharging removable LED interior lamp mounted in the headliner above the cargo area that snaps out of the bezel to serve as a flashlight
- Available stain-repel seat fabric
- Security and Convenience Group (includes HomeLink universal transceiver, Tire-pressure Monitoring (TPM) display, Electronic Vehicle Information Center (EVIC) with compass, Uconnect™ Phone with iPod® Control, auto-dimming rearview mirror with microphone, soft tonneau cover, remote start, security alarm, heated cloth seats and front seat-mounted side air bags)
- Sun and Sound Group (includes sun roof, SIRIUS Satellite Radio, a leather-wrapped steering wheel with audio controls, nine Boston Acoustics speakers including subwoofer and two articulating speakers packaged in the liftgate)
- LED illuminated cup holders

### Standard safety features include:

- Side-curtain air bags
- Electronic Stability Control (ESC)
- Brake Assist
- Hill-start Assist (HSA) (with manual transmission)
- Electronic-roll Mitigation (ERM)
- (ABS) with rough-road detection
- Brake-traction Control System (BTCS)
- Driver and front-passenger active head restraints

## 2010 JEEP® COMPASS SPECIFICATIONS

Dimensions are in inches (millimeters) unless otherwise noted.

## GENERAL INFORMATION

Body Style	Sport-utility vehicle
Assembly Plant	Belvidere, Ill.
EPA Vehicle Class	Compact SUV
Introduction Date	August 2006

## ENGINE: 2.0-LITER DOHC 16-VALVE I-4 WITH DUAL VVT

Availability	Optional on Compass Sport 4x2
Type and Description	Four-cylinder inline, tuned intake manifold with electronic Active Charge Motion Control valves, dual counter-rotating balance shafts
Displacement	121.9 cu. in. (1998 cu. cm)
Bore x Stroke	3.39 x 3.39 (86 x 86)
Valve System	Chain-driven DOHC, 16 valves, electronically controlled dual VVT, direct-acting shimless mechanical bucket tappets
Fuel Injection	Sequential, multiport, electronic, returnless
Construction	High-pressure die-cast aluminum block with dry iron liners, cast-aluminum cylinder head, cast-aluminum ladder frame, forged steel crankshaft
Compression Ratio	10.5:1
Power (SAE net, estimated)	158 bhp (117 kW) @ 6,400 rpm (79 bhp/liter)
Torque (SAE net, estimated)	141 lb.-ft. (191 N•m) @ 5,000 rpm
Maximum Engine Speed	6,750 rpm (electronically limited)
Fuel Requirement	Unleaded regular, 87 octane (R+M)/2
Oil Capacity	5.0 qt. (4.7L) SAE 5W/20
Coolant Capacity	7.2 qt. (6.8L)
Emission Controls	Single catalytic converter, dual heated oxygen sensors and engine features 0.9 g/mile (0.56 g/km) <sup>(c)</sup>
Estimated EPA Fuel Economy mpg (City/Hwy)	23/29—2WD with five-speed manual transaxle
2009 EPA standards	23/27—FWD CVT

## ENGINE: 2.4-LITER DOHC 16-VALVE I-4 WITH DUAL VVT

Availability	Standard on Compass Sport and Limited 4x2 and 4x4
Type and Description	Four-cylinder inline, tuned intake manifold with Electronic Active Charge Motion Control valves dual counter-rotating balance shafts
Displacement	144 cu. in. (2360 cu. cm)
Bore x Stroke	3.46 x 3.82 (88 x 97)
Valve System	Chain-driven DOHC, 16 valves, electronically controlled dual VVT, direct-acting shimless mechanical bucket tappets
Fuel Injection	Sequential, multiport, electronic, returnless
Construction	High-pressure die-cast aluminum block with dry iron liners, cast-aluminum cylinder head, cast-aluminum ladder frame, forged steel crankshaft
Compression Ratio	10.5:1
Power (SAE net, estimated)	172 bhp (129 kW) @ 6,000 rpm (72 bhp/liter)
Torque (SAE net, estimated)	165 lb.-ft. (224 N•m) @ 4,400 rpm
Maximum Engine Speed	6,500 rpm (electronically limited)
Fuel Requirement	Unleaded regular, 87 octane (R+M)/2
Oil Capacity	5.0 qt. (4.7L) SAE 5W/20
Coolant Capacity	7.2 qt. (6.8L)

## 2010 JEEP® COMPASS SPECIFICATIONS

Emission Controls	Single catalytic converter, FWD, Dual catalytic converter, 4WD Dual heated oxygen sensors and engine features
Smog-forming Pollution	0.9 g/mile (0.56 g/km) <sup>(c)</sup>
Maximum Gross Trailer Weight	1000 lbs. (450 kg) 2000 lbs. (900 kg)—with Trailer-tow Prep Group
Estimated EPA Fuel Economy mpg (City/Hwy) (2009 EPA Standards)	23/28—2WD with five-speed manual transaxle 21/25—2WD with CVT2 23/28—4WD with five-speed manual transaxle 21/24—Freedom Drive I™ 4WD with CVT2

<sup>(c)</sup> NMOG + NOX emission limits under ULEV II and Tier 2, Bin 5 emission requirements.

### TRANSAXLE: MANUAL MAGNA DRIVELINE T355 5-SPEED

Availability	Standard—2.0L engine Standard—2.4L engine
Description	5-speed, overdrive, synchronized in all forward ratios, cable-operated, 3-plane shifter
<b>Gear Ratios</b>	
1st	3.77
2nd	2.16
3rd	1.41
4th	1.026
