60-SECOND “[THE FIAT 500X BLUE PILL](#)”

The video playfully and cheekily introduces the FIAT brand's all-new cross-over 2016 Fiat 500X. Filmed in the cities of Pitigliano, Italy, and Sorano, Italy, and featuring Italian actors (Nini Salerno and Adele Pandolfi), the spot follows the epic journey of the “The FIAT 500X Blue Pill” as it slips through the fingers of an amorous Italian, skipping across rooftops, down a drain pipe, bouncing off villa walls, ping-ponging across café tables and eventually dropping into the open fuel tank of a Fiat 500. Given the “The FIAT 500X Blue Pill,” the vehicle becomes a “bigger, more powerful and ready for action” cross-over 2016 Fiat 500X.

“The FIAT 500X Blue Pill” first debuted as a longer-form video at the October 2014 Paris Motor Show during the FIAT brand's global reveal of the all-new 2016 FIAT 500X. It gained traction as a viral video, receiving nearly 10 million views online prompting the decision to air it this year during the Super Bowl telecast.

60-SECOND “[WISDOM](#)”

“Wisdom” commemorates Dodge’s first 100 years with centenarians who have an attitude, defiance and an irreverence that is the core of Dodge’s DNA. In the new 60-second video, 11 centenarians give viewers their advice for living life to the fullest: “I want to tell the world what I have learned,” “Live for now,” “Because life is good, you make it good,” “There are miracles all around you.” As the spot progresses, their words begin to take on more attitude and defiance, as the sounds of an engine roars in the background. “Keep your eyes open and sometimes your mouth shut,” “Don’t complain,” “Tell it like it is,” “Hesitate and you lose,” “Put your pedal to the medal,” “Live fast,” “And never, ever, forget where you came from.”

“You learn a lot in 100 years. Here’s to the next 100. Born Dodge,” reads on-screen copy at the end as a 2015 Challenger screeches out of the frame with one of the centenarians extending his arm in a “rock on” hand gesture.

The original longer “Wisdom” web video was an instant digital phenomenon when it was first posted in April 2014, amassing nearly 4.5 million views in less than 24 hours – surpassing the 24-hour record views previously held by the Company’s iconic Super Bowl commercials (“Born of Fire,” “Farmer,” “Whole Again,” “Halftime in America,” “Seduction” and “America’s Import.”) The original long-form web video received more than 7 million views prior to its Super Bowl telecast debut.

“Wisdom” was created in partnership with Dallas-based The Richards Group.

90-SECOND “[BEAUTIFUL LANDS](#)”

The Jeep® brand firmly evolves its authentic American story of freedom with a global journey around the world – inspiring a new definition of adventure – in “Beautiful Lands,” which debuted during Sunday’s (2/1) Super Bowl XLIX broadcast. The 90-second video invites viewers to follow an epic worldwide journey through lyrics of “This Land Is Your Land,” spanning the globe to locations across the United States, Italy, Brazil, China, Spain, United Kingdom, Japan, Australia, Thailand, India and United Arab Emirates. The commercial is the first to mark the introduction of the all-new 2015 Jeep Renegade in the United States.

“Beautiful Lands” takes a unique and surprising twist upon the iconic piece of music “This Land is Your Land,” written as a crowning tribute to America’s homeland, and expands its interpretation into a global celebration of all lands across the world. The catalyst that takes viewers on an unexpected musical and visual odyssey, “Beautiful Lands” creates a connection to show the Jeep brand’s evolution. As performed by recording artist Marc Scibilia, the song and the “Beautiful Lands” video share a message of freedom and reverence, and also introduces “This Land is Your Land” to a new generation of fans, inviting a fresh and new appreciation for the song.

The 19-day combined production for the “[Beautiful Lands](#)” commercial included filming in more than 10 countries, 40-plus locations and approximately 73,777 miles traveled around the world (number of times around the world 2.962), including the United States, Italy, Brazil, China, Spain, United Kingdom, Japan, Australia, Thailand, India and United Arab Emirates. The Jeep brand commissioned noted photographers to document the entire journey. More info on “Beautiful Lands” can be found at www.jeep.com/renegadeworld.
