The Chrysler Pacifica, Fiat 124 Spider and Ram 1500 Rebel were also honored, winning "Best Minivan," "Best Convertible" and "Best Pickup Truck," respectively.

"Winning the prestigious 'Manufacturer of the Year' award shows that FCA US is listening to consumers by building vehicles that fit a wide variety of needs in today's competitive market," said Jaime Florez, "Ruedas ESPN" director and host. "In addition to the three FCA US vehicles winning in each of their segments, the Chrysler Pacifica takes home 'Vehicle of the Year,' impressing the judges with its innovative technology, versatility and bold styling."

The 2017 Chrysler Pacifica reinvents the minivan segment with an unprecedented level of functionality, versatility, technology and bold styling. Re-engineered from the ground up on an all-new platform, the Pacifica delivers class-leading gasoline and hybrid powertrains to the minivan segment. With more than 100 standard and available safety and security features, the all-new Uconnect Theater rear seat entertainment system, and a full array of comfort and convenience technologies, the Chrysler Pacifica is a no-compromises minivan ideally suited for today's families.

Awarded "Best Convertible," the all-new 2017 Fiat 124 Spider revives the storied nameplate, bringing its classic Italian styling and performance to a new generation. Paying homage to the original 124 Spider nearly 50 years after its introduction, the 2017 Fiat 124 Spider delivers the ultimate fun-to-drive Italian roadster experience with technology, safety and iconic Italian design.

The Ram 1500 Rebel, winning "Best Pickup Truck," brings one-of-a-kind, off-road design to the full-size truck segment with unique design cues and can-do attitude backed by Ram Truck engineering. Equipped with a factory lift, 33-inch tires, standard air suspension, Bilstein shocks, skid plates, tow hooks and other off-road-ready features, the Ram 1500 Rebel appeals to the truck owner looking for a less beaten path.

For almost a decade and a half, "Ruedas ESPN" has carefully established the criteria to choose the nominees in every category. The vehicles must have been – or are scheduled to be in the market – before the last day of the current year, must have proven standards of quality, high levels of popularity among Hispanics, all while providing value.
