FCA Canada: 2019 Dodge Journey Fact Sheet

August 31, 2018, Windsor, Ontario - The 2019 Dodge Journey is the most versatile crossover in its class with more than 40 standard and available safety and security features. Choose between four- or six-cylinder engines, five- or seven-passenger seating, as well as front-wheel drive (FWD) or all-wheel drive (AWD). Journey continues to offer customers better value while delivering vehicle connectivity and customization with the available Uconnect 3 multimedia centre with an 8.4-inch touchscreen. With standard fold-flat second- and available third-row seats and second-row in-floor storage, the Journey is a true utility infielder.

Continued for 2019:

- The 2019 Dodge Journey lineup consists of five models: Journey CVP, Journey SE Plus, Journey SXT, Journey Crossroad and Journey GT, delivering consumers the content they desire at an affordable starting price
- Popular Blacktop Appearance Package is available on Journey SXT models. The package includes black roof rails, Gloss Black exterior mirrors, fascia applique, grille and 19-inch Gloss Black aluminum wheels

Highlights:

- Dodge Journey offers the choice of four- or six-cylinder engines and five- or seven-passenger seating. Most Journey models are available with FWD or AWD
- Journey's available AWD system works on demand, driving only the front wheels until power to the rear wheels is needed, maximizing fuel efficiency
- Three-row seating is available on all Journey models
- The award-winning 3.6-litre Pentastar V-6 engine, standard on SXT, Crossroad, and GT models, produces 283 horsepower (hp) and 260 lb-ft of torque and is mated to a smooth-shifting six-speed automatic transmission
- Journey CVP and SE Plus models features a standard 2.4-litre 16-valve DOHC four-cylinder engine, which produces 173 hp and 166 lb-ft of torque, linked to a four-speed automatic transmission
- Journey maintains sculpted, clean, aggressive lines and a front fascia that sports the signature Dodge brand "split crosshair" grille. Bold LED tail lamps feature a distinctive style, while 19-inch aluminum wheels, standard on Crossroad and GT, provide a dramatic styling statement
- Featuring an available largest-in-class Uconnect 8.4-inch touchscreen, standard Keyless Enter 'n Go with push-button start and available heated steering wheel, Dodge Journey offers a slew of high-tech features at a price that remains affordable for families
- Journey's available Uconnect 3 NAV multimedia centre offers Garmin navigation and SiriusXM satellite radio. With its touchscreen display and user-friendly, touch-key categories, connecting and controlling personal devices is simple, intuitive and customizable
- Innovative removable in-floor storage bins ahead of the second-row seats are standard on all trims and can hold everything from muddy clothes to soda cans or conceal valuables, such as a camera, laptop or purse
- Journey's interior is both spacious and functional. Second and third-row seats fold flat to create 1.915 cubic metres (67.6 cu. ft.) of cargo space. Second-row seats recline and have available class-exclusive integrated child booster seats
- Journey has more than 40 standard and available safety and security features, including multistage front passenger air bags, active head restraints, electronic stability control with all-speed traction control, electronic roll mitigation and Brake Assist, driver-side knee blocker air bag, side-curtain air bags covering all three rows, front seat-mounted side air bags, LATCH child seat anchor system and trailer-sway control are standard on all Dodge Journey models
