- New flip-back, fabric Sunrider Flip Top for Hardtop feature available now on Jeep® Wrangler and Gladiator models for enhanced open-air driving experience
- Jeep Performance Parts (JPP) and Mopar accessory portfolios include wide selection of offerings for summer driving; For more information, visit the Mopar [eStore](#)

July 14, 2021, Auburn Hills, Mich. - Jeep® Performance Parts (JPP) and Mopar are gearing up Jeep enthusiasts for summer and the peak open-air driving season.

The newest quality-tested, factory-backed accessory in Mopar's JPP portfolio is the Sunrider Flip Top for Hardtop that offers a front-row soft top that quickly and easily flips back for an enhanced open-air driving experience.

"There is nothing like the open-air freedom a Jeep can offer on the road or on the trails," said Jim Morrison, Vice President, Jeep Brand North America. "With this innovative new feature, our passionate owners will have yet another way to enhance their open-air experience."

"We specifically developed the new Sunrider Flip Top for Hardtop for Jeep Wrangler and Gladiator owners who want to quickly and easily embrace the outdoors," said Mark Bosanac, North America Vice President, Mopar Service, Parts & Customer Care. "Across the entire Jeep lineup, Mopar offers more than 500 quality-tested, factory-backed parts and accessories."

The new Sunrider Flip Top for Hardtop is constructed from ultra-premium black twill fabric common on many high-end luxury convertibles, making it capable of protecting against inclement weather. The new top comes ready-to-install with mounting rails and hardware included, or it may be installed at any Jeep dealership.

Available in the U.S. and Canada, the Sunrider Flip Top for Hardtop (Mopar part number 82216370AA) is available for 2018-2021 Jeep Wrangler two-door and four-door models, and 2020-2021 Gladiator models, with a U.S. manufacturer's suggested retail price (MSRP) of \$895.

For the ultimate open-air driving experience across the Jeep Wrangler and Gladiator lineups, below are additional select JPP and Mopar accessories. Items are available in the U.S. and Canada. The following descriptions include Jeep sales code or Mopar part number and U.S. MSRP. For more information, visit the Mopar [eStore](#).

JPP half doors for Jeep Wrangler – part of Dual-Door Group

The [half-door option](#) enhances the Jeep Wrangler driving experience with production styling, security and occupant protection. With lower window ledges, new half doors provide improved visibility while maneuvering on and off road.

Available for both two- and four-door Jeep Wrangler models through the Mopar Custom Shop, as part of an original new-vehicle purchase, the Dual-Door Group includes both full and half doors. A choice of upper-window assemblies for the half doors creates a weather-tight seal and features zippered plastic windows for quick, easy removal. Warranty coverage for each Dual-Door Group option is included as part of the new-vehicle warranty of three years/36,000 miles.

- Dual-Door Group with base-model upper-window assemblies – sales code AJB:
 - Wrangler two door: \$2,350

- Wrangler four door: \$3,995
- Dual-Door Group with premium-model upper-window assemblies – sales code AJS:
 - Wrangler two door: \$2,550
 - Wrangler four door: \$4,395

JPP tube door kits

Owners can enjoy the freedom of the open trail and a sense of security with two inches of rounded steel by their side. The tube-shape design from the factory provides optimal aesthetics and maximum cabin space. Sold as two-door or four-door kits, the tube doors use production hinges and rubber bump stops for added strength and factory fit and finish, while minimizing shakes and rattles.

- 2020-2021 Jeep Gladiator or 2018-2021 Wrangler four door: (77072498AB | \$1,195)
- 2018-2021 Jeep Wrangler two door: (77072496AC | \$745)

JPP tube door mirror kit

For full functionality, both JPP tube-door kits require the addition of a mirror kit, available for both Jeep Wrangler and Jeep Gladiator. The mirror kit includes two separately mounted side mirrors that are quickly and easily installed for an enhanced rear view.

Mopar

Mopar is the global name for Stellantis genuine parts and authentic accessories.

A simple combination of the words MOfor and PARts, Mopar offers exceptional service, parts and customer-care. Born in 1937 as the name of a line of antifreeze products, Mopar has evolved over more than 85 years to represent both complete vehicle care and authentic performance for owners and enthusiasts worldwide.

Mopar made its mark in the 1960s during the muscle-car era with performance parts to enhance speed and handling for both on-road and racing use. Later, Mopar expanded to include technical service and customer support, and today integrates service, parts and customer-care operations in order to enhance customer and dealer support worldwide.
