December 10, 2021, Auburn Hills, Mich. - Ordering is now open for the 2022 Dodge Charger and Challenger SRT Hellcat Redeye Widebody [Jailbreak models](#), unleashing full access to the entire palette of Dodge personalization options and empowering customers to create their own customized performance vehicle.

Jailbreak models unlock color combinations previously restricted from ordering when choosing a variety of vehicle options, such as seats, wheels, exterior badging and stripes, brake caliper color and much more. Jailbreak models also provide the key to access exclusive new factory-custom options, such as Hammerhead Grey Laguna leather seats. Output on the SRT Hellcat Redeye Widebody is increased to 807 horsepower on Jailbreak models by using a revised powertrain calibration, and unique Jailbreak badging is featured on the instrument panel.

The 2022 Dodge Charger and Challenger SRT Hellcat Redeye Widebody Jailbreak option package is available for ordering through dealerships at a U.S. manufacturer's suggested retail price (MSRP) of \$995. Customers can visualize and bring to life their own unique Jailbreak model at [Dodge.com](https://www.dodge.com) by using the Build & Price feature, accessed by clicking on the site's Shopping Tools tab.

Jailbreak models are part of the two-year Dodge [Never Lift](#) campaign, which will launch a variety of new Dodge models and initiatives. To view the Dodge Never Lift 24 Months of Muscle calendar, visit [Dodgegarage.com/never-lift](https://www.dodgegarage.com/never-lift).

Dodge//SRT

For 110 years, the Dodge brand has carried on the spirit of brothers John and Horace Dodge. Their influence continues today as Dodge, America’s performance brand, shifts into high gear with a lineup that delivers unrivaled performance in each of the segments in which the brand competes while moving forward to a future that includes electrified muscle in the form of the next-generation, all-new Dodge Charger.

The next-generation Dodge Charger electrifies a legend, with the Charger retaining its title as the world’s quickest and most powerful muscle car led by the all-new, all-electric 2024 Dodge Charger Daytona Scat Pack. The all-new Dodge Charger will also offer performance choices via multi-energy powertrain options including the 550-horsepower Dodge Charger SIXPACK H.O., powered by the 3.0L Twin Turbo Hurricane High Output engine.

Dodge also keeps its foot on the gas as a pure performance brand with the 710-horsepower Dodge Durango SRT Hellcat, the most powerful SUV ever, and best-in-class standard performance in the compact utility vehicle segment with the Dodge Hornet.

Dodge is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis. For more information regarding Stellantis (NYSE: STLA), please visit www.stellantis.com.
