2023 Jeep® Wrangler Rubicon FarOut: Exclusive Limited-edition Wrangler Marks Final EcoDiesel Production

- The Jeep Wrangler Rubicon FarOut edition combines exclusive content with EcoDiesel's torque, fuel economy and range
- Based on the Wrangler Rubicon 4-door, the Wrangler Rubicon FarOut edition features commemorative "Diesel 3.0L" hood graphic, exclusive "3.0 D" badging and unique wheels
- Available for ordering through November 2022, the Wrangler FarOut edition will begin arriving at Jeep dealers in the fourth quarter of 2022

September 27, 2022, Auburn Hills, Mich. - Jeep® brand is marking the end of Wrangler EcoDiesel production with the exclusive limited-edition Wrangler Rubicon FarOut.

Originally introduced for the 2020 model year, the Jeep Wrangler Rubicon EcoDiesel with 442 lb.-ft. of torque was the most capable Wrangler to date. Since the Wrangler EcoDiesel's debut, the Jeep brand has introduced the Wrangler Rubicon 392, featuring 470 horsepower and 470 lb.-ft. of torque, and the Wrangler Rubicon 4xe, delivering 375 horsepower, 470 lb.-ft of instant torque, 49 MPGe and 21 miles of all-electric range.

"At Jeep, we are always listening to our customers and driven to improve on our legendary 4x4 capability," said Jim Morrison, senior vice president and head of Jeep brand North America. "The Wrangler Rubicon FarOut special edition is our tip of the hat to the EcoDiesel technology on Wrangler."

The [Jeep Wrangler](#) will continue to be available with four powertrain choices:

- 2.0-liter turbo
- 3.6-liter V-6
- 6.4-liter V-8
- [4xe plug-in hybrid](#)

The [Jeep Gladiator](#) will continue to offer the 3.0-liter EcoDiesel V-6 in addition to the standard 3.6-liter V-6.

The 2023 Jeep Wrangler FarOut edition comes standard with the following equipment:

- "Diesel 3.0L" hood graphic
- Exclusive "3.0 D" badging
- Unique 17-inch aluminum wheels
- Black leather seats with red accents
- Cold Weather Group
- Trailer-Tow and Heavy-Duty Electrical Group
- Safety Group
- LED Lighting Group
- Body-color fender flares
- Satin black grille
- All-weather floor mats

The Jeep Wrangler Rubicon FarOut edition features third-generation Dana 44 front and rear heavy-duty axles, a 3.73 axle ratio and the Rock-Trac two-speed transfer case with a 4.0:1 low-range gear ratio. The 2023 Jeep Wrangler Rubicon FarOut edition is available for ordering through November 2022, with deliveries beginning in the fourth quarter of 2022.

Jeep Brand

Built on more than 80 years of legendary heritage, Jeep® is the authentic SUV brand that delivers legendary off-road capability, interior refinement, high-tech features and versatility to people who seek extraordinary journeys. The Jeep brand delivers an open invitation to live life to the fullest by offering a broad portfolio of vehicles that continues to provide owners with a sense of safety and security to handle any journey with confidence. Jeep Wave, a premium owner loyalty and customer care program that is available to the entire Jeep 4x4 lineup, is filled with benefits and exclusive perks to deliver Jeep brand owners the utmost care and dedicated 24/7 support. The legendary Jeep brand's off-road capability is enhanced by a global electrification initiative that is transforming 4xe into the new 4x4. All Jeep brand vehicles in North America will offer an electrified variant by 2025.
