

2024 Alfa Romeo Stelvio Fact Sheet

September 22, 2023, Auburn Hills, Mich. - Born from the world's greatest driving road, the Stelvio Pass, the Alfa Romeo Stelvio is the benchmark for performance SUVs. Updates for 2024 include a limited-edition 100th Anniversary Quadrifoglio and limited-edition Competizione model.

Alfa Romeo celebrates the 100th anniversary of the Quadrifoglio performance brand with a very limited-edition model – only 100 globally. The 100th Anniversary Stelvio Quadrifoglio features 21-inch dark 5-hole wheels, gold-colored calipers, 100th Anniversary badging, carbon fiber mirror caps and a carbon fiber V scudetto grille. Inside, the special model includes Alcantara seats and gold stitching on the dash, steering wheel and doors.

Quadrifoglio models also upgrade the limited slip differential to operate mechanically. This further emphasizes vehicle dynamics and the driver's control in spirited driving situations.

Based on Veloce, the Competizione is the most luxurious Stelvio offering with an authentic concentration of style and performance. The limited-edition offers exclusive Moonlight Gray matte, red brake calipers and a new 21-inch alloy wheel design. The interior adds a 14-speaker Harman Kardon audio system, leather-upholstered dashboard, seats with red stitching and Competizione badging on the seat sides and headrests. Darker privacy glass completes the look. The Competizione is matched with Alfa Romeo's 2.0-liter, direct-injection turbocharged engine delivering 280 horsepower and 306 lb.-ft. of torque. Dynamics gets an upgrade with Alfa Active Suspension.

Pricing for the 2024 Alfa Romeo Stelvio Competizione

- AWD – \$56,425 MSRP (not including \$1,595 destination)

Crafted by Alfa Romeo artisans at the Cassino plant in Italy, the Stelvio lineup is infused with Italian passion, craftsmanship and innovation and is a testament to Alfa Romeo's unparalleled balance of engineering and emotion, creating a premium midsize SUV for driving enthusiasts.

New for 2024 Alfa Romeo Stelvio:

- Limited-edition 100th anniversary Stelvio Quadrifoglio (100 units globally)
- Available in Q2 of 2023, limited-edition Competizione, the most luxurious Stelvio offering with an authentic concentration of style and performance
- New Trilobe LED adaptive matrix headlights, new taillights in glass with a transparent finish and new V-Scudetto grille insert
- All-new digital instrument panel with the historic binocular theme displays vehicle information, including advanced ADAS functionality and vehicle information pages

Highlights

All-new 12.3-inch thin-film transistor (TFT) screen with access to vehicle information, including autonomous driving data. The cluster can be reconfigured into three layouts: Evolved, Relax and Heritage:

- Evolved represents the future of Alfa Romeo design and uses the central area of the screen, despite keeping its two lateral quadrants in place
- Relax focuses on comfort, is free of detailed vehicle information, and goes without the two quadrants
- Heritage is inspired by the brand's iconic 60s and 70s models, with distinctive details like inverted numbers at the end of the speedometer

Available ADAS features level 1 and 2 autonomy and high level of safety and security content, including:

- Highway Assist system
- Traffic Jam Assist System
- Traffic Sign Recognition
- Lane Keep Assist

- Active Blind-spot Assist
- Driver attention alert
- Intelligent Speed Assist
- Standard Full-speed Forward Collision Warning-Plus

Upscale interior with premium content

- Center console features leather-wrapped gear shifter with bright accents, premium rotary knobs and dial materials, open front storage with large cup holders, abundant storage capacity and available wireless mobile phone charging pad
- Steering wheel designs for all Stelvio trims include high-end materials and bezel finishes adding distinctive style
- All Stelvio SUVs are well-equipped with standard leather seating, Apple CarPlay, Android Auto, SiriusXM Radio, keyless passive entry, remote start, bi-xenon headlamps with LED daytime running lamps and LED taillamps, Alfa DNA Drive Mode selector, backup camera with rear park sensors and Full-speed Forward Collision Warning-Plus
- The sports car of its segment, the Stelvio features near perfect 50/50 weight distribution and class-leading power and performance with key race-inspired features, including a class-exclusive carbon-fiber driveshaft, flat-bottom Formula One-inspired steering wheel, Alfa DNA Drive Mode selector, and an eight-speed automatic transmission with available steering column-mounted aluminum paddle shifters with gear shifts in less than 100 milliseconds

Powertrain

- Stelvio Sprint, Stelvio Ti, Stelvio Veloce and Stelvio Competizione feature an all-aluminum,
- 2.0-liter, direct-injection turbocharged engine delivering a class-leading, standard 280 horsepower and 306 lb.-ft. of torque, delivering 0 to 60 miles per hour (mph) in 5.4 seconds and a top speed of 144 mph
- Stelvio Quadrifoglio highlights Alfa Romeo's performance expertise with best-in-class V-6 horsepower (505) and torque (443 lb.-ft.) from its Ferrari-derived twin-turbocharged V-6 engine, powering it from 0-60 mph in 3.6 seconds and a top speed of 176 mph
- State-of-the-art technologies, including Alfa DNA Pro Drive Mode selector with Race Mode, the most direct steering available and all-aluminum column-mounted paddle shifters maximize the driving experience in the Stelvio Quadrifoglio
- Paired with Alfa Romeo's most powerful production engine ever, the innovative Q4 all-wheel-drive (AWD) system in the Stelvio Quadrifoglio takes premium midsize SUV performance to new heights
- The performance-inspired Stelvio Quadrifoglio also benefits from unique design features, including standard anodized brake calipers with red Alfa Romeo script and signature 20-inch bright 5-hole forged aluminum wheels

Standard convenience features

- Front and rear heated seats
- Navigation system
- Wireless charging pad
- Auto-dimming rearview mirror
- Air quality system

Standard exterior features

- Dark appearance, dark grille and daylight opening (DLO)
- Volcano Gloss Black body kit
- Veloce-exclusive finned rear diffuser

Standard interior features

- Aluminum column-mounted paddle shifters (Sprint and Veloce)
- Dark headliner (Sprint, Ti, and Veloce)
- Aluminum sport pedals and footrest (Sprint, Ti and Veloce)
